Dear CCA member and guests,

Thank you for registering for tomorrow morning's Government Relations Committee meeting. As a reminder, our start time is 8:30 a.m.

As you know, one of our topics will be the Framework originally proposed by Councilmembers Price and Buscaino to guide the creation of regulations for legalized sidewalk vending. The City Council voted yesterday to move forward with the Framework, with some amendments.

Please see the attached summary of the Framework, including information on those amendments. We hope this will give you an understanding of the proposal for our discussion with Dennis Gleason from Councilmember Buscaino's office.

See you tomorrow!
